WELCOME TO MANCHESTER

EQUAL EMPLOYMENT OPPORTUNITY

Manchester is committed to the full utilization of all human resources and to a policy of equal employment opportunity. The City will not discriminate against its employees or applicants for employment on criteria that includes, but is not limited to, race, color, gender, age, national origin, religion, marital status, sexual orientation, physical or mental disability or veteran status.

OUR EMPLOYEE RELATIONS PHILOSOPHY

We will provide the best possible climate for maximum professional development and achievement for all employees. Our practice is to treat each employee as an individual, while at the same time foster a sense of teamwork in each department and throughout the City. Our goals are described in the Mission Statement at the front of this handbook.

In order to attain these goals, we will do our best to assist you in developing your fullest potential. You and your supervisor will work together to define the goals and objectives that will measure your professional development.

Open communication is essential to everyone's success. Issues should be discussed and resolved in a mutually respectful atmosphere, taking into account the circumstances facing each individual employee. We encourage you to bring your suggestions, criticisms and questions to the attention of your supervisor. We will give careful consideration to these comments in our continuing efforts to improve public service.

EMPLOYEE ORIENTATION

You will be scheduled to attend Employee Orientation Training that will provide you an overview of the benefits and services you are entitled to as a City employee. If you have any questions regarding this information, ask your supervisor or call the Human Resources Department at 624-6543 (Voice/TTY).

ABOUT THIS HANDBOOK

You will be asked to sign a receipt form after reading this handbook. The programs and information outlined in this handbook should be regarded as guidelines that may change over time. In an effort to be responsive to the needs of our organization and the public, changes to this handbook may be made when necessary.

The handbook is your guide to City policies and the current benefit plans available to our employees. This information may be affected by labor contracts (Collective Bargaining Agreements), City ordinances and/or department policies. You are encouraged to ask your supervisor for information about department policies and rules. If questions arise regarding the interpretation of the benefit plans, the answers will be determined by reference to the actual plan documents and policies rather than this handbook.

DISCIPLINARY ACTIONS

Employees may be suspended, demoted or terminated or otherwise subject to disciplinary action if they give unsatisfactory service, violate regulations or ordinances.

Regular, non-affiliated employees may appeal demotions, suspensions without pay or terminations to the Personnel Appeals Board, as defined by City ordinance.

Affiliated Employees

Disciplinary and termination policies and procedures for affiliated employees shall be in accordance with established Collective Bargaining Agreements. For more information, consult the appropriate Collective Bargaining Agreement or the Chief Negotiator at 624-6532 (TTY access through RelayNH at 711).

YOUR PAY AND PROGRESS

RECORDING YOUR TIME/HOURS OF EMPLOYMENT

Attendance and punctuality are important factors for your success as an employee. If you are absent from work or late in arriving, you must notify your supervisor as soon as possible. Your supervisor will advise you as to the appropriate method for recording your time. You are required to maintain an accurate record of all time worked.

The City has a variety of work schedules that are dictated by department needs, Collective Bargaining Agreements and/or ordinances and policies. Department heads may institute flexible time schedules consistent with funding and operational activities as approved by the Human Resources Director.

PAYROLL

Employees are paid each Thursday, unless otherwise stipulated by contract or department policy. You have the option of receiving a payroll check or you may be paid through our direct deposit program. We encourage all employees to use direct deposit for convenience, security and cost savings. When payroll falls on a holiday, checks will be distributed on the previous workday. Your paycheck represents the net take home pay after deductions such as federal income taxes, insurance premiums and other authorized deductions.

FLEXIBLE SPENDING PLAN

This is a wonderful program that can save you taxes with a minimal amount of effort on your part. There are three components to this program:

Non-reimbursable Medical Expenses: Although our health and dental insurance coverage provides you with excellent coverage, there are certain expenses that you will be required to pay. Examples of these expenses are your co-payments for office visits to the doctor, co-payments for your prescriptions, orthodontics, eyeglasses, etc. This plan allows you to estimate how much you will spend out of pocket for non-reimbursable expenses for a year. Once you

have calculated an amount, you need to complete paperwork to have this deducted from your weekly paycheck. Once you have accumulated receipts for the non-reimbursable expenses, you submit them to our provider who will send you a check in the amount that you have submitted even if your payroll deductions are not yet sufficient to cover the expenses. Or, you may purchase a flex benefit card, which will automatically deduct the expense from your account. By doing this, you are reducing your gross pay and as such, your tax liability.

Health and Dental Insurance Premium Offset: You may have your premium co-payments deducted on a pre-tax basis. This will reduce your gross pay and as such your tax liability.

Dependent Care: This also allows you to have a pre-tax payroll deduction for daycare expenses. Since this is also pre-taxed, it reduces your gross pay and as such, your tax liability.

Vacation Credits: With the approval of your Department Head, you may purchase up to 80 hours of vacation credits.

COMPENSATION PROGRAM

The City recognizes the need to provide a compensation program that is competitive in the marketplace, internally consistent and recognizes our employees' efforts and achievements.

We have established a classification plan with assigned pay grades for every position. Positions are evaluated based on the knowledge, skills and abilities required for the job. You have an opportunity to advance within your pay grade as your career with the City progresses.

PROBATIONARY PERIOD – FULL TIME EMPLOYEES

The first six months of your employment with the City are considered a probationary period. During this time, you are eligible for paid holidays as long as you report to work your scheduled workday before and after the holiday. Upon successful completion of your probationary period, your employee status will change as is appropriate to your position. Although you accrue sick leave and vacation hours ***you are not eligible to use these hours toward vacation or sick leave*** during your six-month probationary period.

Police and Fire Department employees have a probationary period of one year, but are eligible to use vacation and sick leave after six months.

NON-PROBATIONARY EMPLOYEES

Upon completion of your probationary period, regular, full-time employees have the opportunity to receive yearly advances in your pay grade. Advances are based on your job performance and length of service – they are described below. Salary advances require the recommendation of your department head and the approval of the Human Resources Director or the Human Resources and Insurance Committee, except as otherwise provided for in Collective Bargaining Agreements.

(Revised 2-05)

PERFORMANCE APPRAISAL

The City is committed to providing opportunities for professional growth and development. To that end, you and your supervisor will meet to complete your annual performance review. This process will help you to identify your strengths and areas of expertise as well as those areas that may need further development. The plan may be modified as necessary as you attain your goals, or if your job duties change significantly. Your supervisor will fully explain the performance appraisal process to you.

EMPLOYEE ANNUAL PERFORMANCE APPRAISAL

Your progress will be formally evaluated at the end of your probationary period, on an annual basis and on special occasions when warranted. The evaluation criteria will include the information regarding your ability to perform your job in a manner that meets or exceeds the expectations of your department and the City. At this time, you will receive a 3% increase in your salary if you meet the work standards developed by you and your supervisor.

PAY SCHEDULE – FULL TIME EMPLOYEES

There are several ways in which you may receive an increase in salary, upon completion of your probationary period:

1. **3% Merit Pay Increase:** awarded at the time of the Annual Performance Summary (the anniversary of your date of position) for performance that meets or exceeds quality standards, until such time as you meet the maximum step in your pay grade.
2. **3% Longevity Increase:** awarded on the anniversary of your date of hire, every five (5) years of continuous City employment, until your 45th year;

- 3. Achievement Step (A-STEP):** this is a 3.5% increase for any employee who achieves the criteria defined for each class specification.

OVERTIME PAY

Overtime shall be paid as indicated in Collective Bargaining Agreements and City ordinances and/or policies beyond normal work hours as a required part of the job.

Non-affiliated, non-exempt staff shall be entitled to overtime compensation at one and one-half times the basic hourly rate for all hours worked over forty hours in a regular work week. Work on Sunday or a holiday will also require the overtime compensation, provided that such Sunday work is not part of their regular work schedule in the labor and trade groups only. Administrative employees working on a holiday will receive a floating holiday and straight time, provided they did not work over 40 hours. No overtime compensation will be given unless such work has received prior authorization by your Department Head. Individuals who work unauthorized overtime shall be subject to disciplinary action.

COMPENSATORY TIME

Any compensatory time off in lieu of overtime payment shall be at the time and one-half rate for non-exempt positions. Such compensatory time earned may not exceed 80 hours accrued. Compensatory time must be used prior to termination from employment. Compensatory time rules may be controlled by applicable collective bargaining agreements.

TEMPORARY ASSIGNMENTS AT PLUS RATES

If you are qualified for and temporarily required to serve in a higher class of position, you will receive the entrance rate of that class or one rate step above your present rate, whichever is higher, or as established in Collective Bargaining Agreements and City ordinances, for the duration of your assignment.

STAND-BY PAY

Any employees who are assigned during their normal off-duty hours by their departments to standby duty, in immediate communication with the department during the standby period, and available at a minimum notice for emergency call-back duty shall be compensated for the inconvenience resulting thereby as follows:

Non-exempt employees – From Monday through Friday from the end of the normal work shift to the beginning of the next normal work shift the rate of \$10.00 per day. For standby on Saturday, Sunday or a holiday, \$20.00 per day.

Should any collective bargaining agreement provide a higher standby pay than indicated above, then employees who are not members of that bargaining agreement shall receive no less standby pay.

Exempt employees – Exempt employees are not entitled to standby pay unless it is provided for in a collective bargaining agreement or is approved by the BMA.

CALL BACK PAY

Any non-exempt employee who is called back for emergency or overtime work will be paid a minimum guaranteed payment equivalent to three hours of pay at the overtime rate of time and one-half or in accordance with the Collective Bargaining Agreements.

NIGHT SHIFT

If you are assigned to permanent night shifts, or periodic rotating night shifts (with the exception of uniformed Police and Fire and part-time personnel), you will be paid at a rate one step higher than your normal rate when half or more of your shift is worked after 6 PM or before 8 AM. This rate shall be paid only while you are actually working on such shift or are on an authorized vacation or sick leave with pay, provided that you are so assigned both immediately before and after such leave, and, as defined by City ordinance and/or Collective Bargaining Agreements.

Probationary employees are not eligible to use sick leave.

Members donate one sick leave day per year to the bank. The purpose of the bank is to provide relief to employees who suffer long-term illness or injuries that are non-job related. The Bank will provide additional paid benefit days for an employee who has exhausted his or her accrued sick leave. Please check pertinent sick leave bank practices within your department.

FAMILY MEDICAL LEAVE ACT

Employees who work 1,250 hours in the previous twelve (12) month period are entitled to Family Medical Leave Act (FMLA) for the birth or adoption of a child or if they have a serious health condition (as defined by the Act), or if they need time to care for a family member with a serious health condition. In addition, leave to care for a covered service member with a serious injury or illness as well as leave due to a qualifying exigency are also available.

Employees on FMLA leave must report every thirty (30) days to their department head regarding their status and intention to return to work.
